Break out the popcorn

ALL of the short film submissions are all in and judges now have the tough task of wading through an unprecedented number of entries and selecting the winners.

The 5th annual Blue Heeler Film Festival is just around the corner and there are five awards and a host of great prizes up for grabs at the event.

The opening night audience at Highbrook Park will vote for the winner of the People's Choice Award. Voting will close at the end of the screening session and the winner announced on Saturday night.

The Junior, Senior and Open categories and the coveted Bluey Award, will be selected by the judging panel and will also be announced at the Red Carpet Awards Night at Two Rivers Winery on Saturday night.

Prizes include an HP Laptop for the winner of the Bluey Award, a NikonD3400 (Open) Drone with Camera (Senior) Samsung Tablet (Junior) and a GoPro for the winner of the People's Choice Award.

Entry is free at the pop-up cinema in the park and films will be screened in two sections with a 20 minute interval in between.

The first half of the programme, starting at 5.30pm, will show family-friendly films with a G rating (General). After the interval films rated PG (Parental Guidance Recommended) and M (Recommended for Mature Audiences) will complete the screenings.

Online exhibition at Murrurundi

Checking out art just got a little easier thanks to Murrurundi's Michael Reid Gallery, which is hosting an online exhibition.

This exhibition features the work of Maz Dixon. Using the nostalgic language of 70s sunshine and Gold coast postcards and souvenirs, Dixon explores the disconnect between a traveller's expectations and the often highly-kitsch, surreal reality of any beach tourism hot spot.

WORKING TOGETHER: PCYC Senior Activities Officer, Maddaleinea Polzin receiving a donation on behalf of the Muswellbrook PCYC from the president of the Aberdeen Highland Games committee, Charles Cooke.

Fundraising partnership

The Aberdeen Highland Games and Muswellbrook PCYC have joined forces to raise money for the community.

The Highland Games recently presented the PCYC with a cheque to help raise money to fix the car park. The PCYC runs a massively huge program of community health and fitness activities accommodating patrons from as young as 18 months of age. Other activities include: Boxing, personal programs, classes for people with disabilities, yoga, gym, Tae Kwon Do and many more. They also do Christmas hampers up for people in need and rely on fundraising and donations from the community throughout the year. The PCYC is also starting a new program called humble homes which aims to help young people get set up in their own accommodation. They'll be accepting donations of household goods soon.

Muswellbrook PCYC Senior Activities Officer, Maddaleinea Polzin stated that the organisation is so appreciative to have the opportunity to be linked with the Aberdeen Highland Games and look forward to a continued successful partnership.

For further information on the PCYC contact 6541 1434.

Emergency repairs undertaken at Brookers Bridge

Emergency repairs have been undertaken on Brookers Bridge on Mirannie Road at Reedy Creek last week following further engineering assessments on the structural integrity of the structure.

Singleton Council acted immediately to impose a two tonne load limit and a 10km/h speed limit following reports from bridge engineers who inspected the site.

Emergency services have been notified, and the school bus will now collect and drop-off school children on the southern side of the bridge near the entrance to the quarry until further notice. The bus will depart from this point at approximately 7.45am and return about 4.15pm.

Council was investigating the re-establishment of a side track around the bridge, but ruled out the works because the track would not provide safe and adequate access for larger vehicles, and the time needed for construction.

Anthony Egan, Council's Director Community Corporate and Community said, "This work involved strengthening of the existing timber structure with hardwood."

"At this stage, we will wait for advice from our bridge engineers to determine whether the repairs will be enough to increase the load limit on the bridge to 4.5 tonnes."

Mr Egan said Council as completing a detailed design for the replacement of Brookers Bridge.

"In the longer term, the work on the detailed design of the replacement bridge will be expedited to enable tenders to be called within four to six months, with a construction period of six months," Mr Egan said.

Cultural development in the Upper Hunter

Upper Hunter Shire Council is asking for community feedback on the draft Upper Hunter Regional Cultural Development Strategy, a joint initiative of Upper Hunter Shire Council and Muswellbrook Shire Council. The two Shires working together is being touted as an effective way to promote and grow the Upper Hunter region.

The Regional Cultural Development Strategy 2017-2021 sets out a plan to work with Muswellbrook Shire Council to enhance cultural experiences in the region. The draft Strategy identifies a cultural footprint in the region including local cultural development initiatives and opportunities and acts as a supporting document for future funding.

Upper Hunter Shire Council is also close to finalising its first Cultural Plan, a document that highlights some of our community's many forms of cultural expression. It also provides a guide to Council and other community groups for future cultural development activity and investment.

The draft Strategy can be viewed in Council offices, libraries and on Council's website <http://upperhunter.nsw.gov.au/do-it-online/say-it/notice-of-public-exhibition-draft-upper-hunter-regional-cultural-development-strategy-2017-2021.aspx>

Written comment, addressed to the General Manager, is welcomed by Friday 8 September 2017.

Kelso street surface

Singleton Council says fixing up faulty resealing on Kelso Street from earlier this year is a priority.

The work was affected by cooler weather, resulting in loose tar and stone coverage. Road reseal works are heavily dependent on climate and weather conditions, with best results in hot weather. Unfortunately the reseal work of Kelso Street was completed at the end of Reseal Program and the cooler weather has resulted in a faulty seal. "The surface rectification works have been prioritised for completion at the beginning of the 2017/18 Reseal Program in October.

For more information about Council's annual Reseal Program, contact (02) 6578 7290.

Get fit for free in Merriwa and Aberdeen

The free eCoFit program is coming to Merriwa and Aberdeen for anyone aged 55 or over, who owns a smart phone and wants to be more physically active.

eCoFit is a group-based outdoor gym program with personal trainers run over ten weeks, with support from the App to continue training outside of these sessions. No prior level of fitness is required.

Upper Hunter Shire Council is offering this fantastic opportunity and you do not have to live in these towns to participate. This free program was developed by the University of Newcastle and is made possible thanks to funding from NSW Department of Family and Community Services.

The eCoFit program will run in Aberdeen at Jefferson Park on Wednesday afternoons at 5.30pm, and at Merriwa Showground on Fridays at 10am.

Participants need to agree to baseline testing (heart rate, waist, weight, walk test, arm curl test) at the start of the program and again at week 10 and week 20 (to find out if participants have continued exercising with no group sessions). Data contributes to research by the Newcastle University and is kept confidential.

Baseline testing will take place the week beginning 4 September with the training beginning Wednesday 13 September in Aberdeen, and Friday 15 September in Merriwa.

Image: eCoFit was a hit when it ran over winter in Scone and Murrumbidgee and now it's coming to Merriwa and Aberdeen.

Places are limited so register by Tuesday 5 September 2017 with Council's Sports Participation Officer Nicky Western on 0414 806 074 or email nwestern@upperhunter.nsw.gov.au

Endeavour's big fundraiser

BIG EFFORT FOR A BIG FUNDRAISER: Endeavour participants (pictured from left to right) Shirnia Adams, Makayla Goral and Breex Gibson have been working extremely hard with their co-workers and staff in preparation for Endeavour's Big Book Fun Fair to be held on Saturday August 26. Image is courtesy of Endeavour Group Australia.

Endeavour's Big Book Fun Fair is coming up on Saturday August 26. Get ready to shop up a storm and help Endeavour clients fund a holiday.

Last year the group enjoyed their trip to the Western Plains Zoo at Dubbo so they decided to hold a book fair to raise money for another well-deserved jaunt. More than 200 second-hand books will be for sale on the day with market stalls, a jumping castle, face painting and food available too. Endeavour's Muswellbrook participants have also been joining the Hope City Men's Group in Muswellbrook each week to learn woodwork skills and how to create some wonderful gifts and will be selling items they have made with the Men's Group on the day including pot plants and candle holders.

There will also be a variety of other activities for event attendees to enjoy on the day including local market stalls, face painting, a jumping castle, a sensory space and foodstalls plus LIVE entertainment with the duo of Sarah Shelford and Laura Symington. Endeavour Group Muswellbrook's staff and participants have been working hard and are incredibly excited to bring this event to town.

They'd like to thank everyone who has offered support and donated books and items already. You can join in the fun at 29 Sydney Street, Muswellbrook between 10am and 2pm on August 26. Come along and bring family and friends to support this wonderful fundraiser and be a part of the community vibe.
