## New bus services

Singleton Mayor Sue Moore has welcomed news - two new bus services between Singleton and Maitland will start soon saying it's a good first step towards improving public transport in Singleton and a practical acknowledgement by the State Government of the issues that exist for the community in terms of connectivity to other parts of the Hunter.

Council has been working closely with community groups, including Two More Trains for Singleton and the Singleton Business Chamber, to highlight the issue with the State Government.

### Merriwa's Silo Artist in town

The artist for the gigantic Merriwa Silo Art Project has been selected and locals are invited to drop in to meet him and share their ideas on Thursday 7 September, between 12.30pm and 2.00pm.

Sydney-based Sid Tapia is a renowned and accomplished artist who specialises in large-scale murals.

Sid and his agent/manager Chris Skyner will visit Merriwa to engage with community members and groups, including both local schools, Gummun Place and Merriwa Tourism and Promotion Committee to develop a concept design.

Both men are keen to make the trip.

"For me the one thing I am really looking forward to is hanging with the local people," Sid said. "I am also looking forward to really getting a feel for the heart of Merriwa and the artwork being an extension of that."

"Council thanks GrainCorp for their collaboration on this public art project."

The silo art project is due to be completed by November 2017.

### Bike Week is back!

Saturday, 23 September is a busy biking day for the Upper Hunter as part of NSW's Bike Week (16-24 September) and this year all Upper Hunter Shire residents have a chance to win a bike.

The day starts with a four-kilometre bike ride in Scone from the Bill Rose Sports Complex over to Scone TAFE using the town's new cyclepath, which was opened in May during Horse Week. The ride will leave the complex at 9.30am and refreshments will be supplied at TAFE.

At lunchtime people can take up the opportunity to whizz a bike around the concrete walls of a velodrome for free at Muswellbrook's Ron King Velodrome. Anyone keen to have a try at the velodrome is welcome from 12.30pm where bikes will be available to use for free and there will also be a barbecue lunch.

Upper Hunter Shire Council's Sports Participation Officer Nicky Western said people of all ages and abilities are welcome to attend both events. For details on the event phone 6540 1100 or 0414 806 074.

## Blood typing your dog

By Dr Rebecca Ryan (pictured)

Did you know that dogs have a completely different type of blood typing system to you and I? And just like us, it is important that dogs receive the right blood type when given a blood transfusion.

While the human typing system is classified according to A or B positive types, dogs are typed as either 'DEA 1' positive or negative. Pet Medical is now able to blood type dogs anytime by taking a small sample. They can have results in ten minutes. Vets rely on dogs for blood donations, but there isn't the same large network of donors as there is for humans.

All of Pet Medical's donors are beloved pets and live at home with their owners. This means that, in the event of an emergency, owners have to bring them in as soon as possible. You can reduce the risk to your dog in an emergency by getting their blood typed now, while they are happy and healthy.

Once done, Pet Medical can store your dog's blood type on our computer system so that an appropriate donor can be called in as soon as the vets know your dog is in trouble.

If you would like to know more about blood typing your dog, please don't hesitate to contact the Pet Medical team on 6541 1555.

## Plenty of shine on History Week

History Week has turned into History month at Singleton Library with a packed schedule of events sure to POP! in line with this year's theme – but there'll also be a smattering of gold dust over Singleton's heritage and history as part of the program.

The celebrations were officially launched with the exhibition 'Locally Loved Collections' focusing on popular culture collections covering everything from erasers to vintage Barbies and curated in Singleton. You can get your own hands dirty and with some tips for hunting for precious metals and gemstones when Judy Buss from Goanna Gold Detectors lifts the lid on modern-day prospecting on Thursday 14 September from 5.30pm to 7pm.

Bookings are essential for all events. For more information on these and other library programs, visit [www.singleton.nsw.gov.au](http://www.singleton.nsw.gov.au) or contact Singleton Library on 02 6578 7500.

## Equistart program delivers work-ready staff

Collaboration between TAFE NSW and the Hunter Thoroughbred Breeding Association is helping alleviate a shortage of entry-level workers in the Upper Hunter's horse-breeding industry.

The first students to complete the Equistart program graduated at the annual Godolphin Stallion Parade on Friday 25 August. From the 13 students who participated, seven have secured employment with local breeders either as trainees, apprentices or entry-level workers. The remaining students are continuing their education with TAFE NSW. The three-week program delivered by TAFE NSW Scone is designed to equip school leavers looking to enter the thoroughbred-breeding industry with key skills, including workplace health and safety, horse behaviour, grooming and handling techniques. The program also provides valuable industry exposure, with local employers offering work placements for all participants.
