## Tee off at Scone Golf Course in December

Image: Manager Special Projects Alan Fletcher and Mark Wylie from Weidlich Golf Design in front of where the bypass is being built through the Scone Golf Course. Many areas of the newly reconstructed course are lush but some sections still need to 'green up'.

The new, improved Scone Golf Course is expected to re-open ready for play in December 2018.

The course reconstruction was required because the Scone bypass route goes through parts of the previous course layout. After 14 months of construction, the ground work on the multi-million dollar redevelopment of the course is almost complete.

The course should be drought-proof with a fully automated irrigation system, an on site bore and two enlarged ponds on the course, storing treated water from the sewerage plant.

Scone Golf Club member Gordon Halliday said the result would be worth the wait and the many years of planning.

"Golfers don't normally hope for rain, but it would certainly help the grass to grow in," Mr Halliday said.

This year local golfers have had three tours of the course during construction with staff from Upper Hunter Shire Council, project manager Mark Wylie from Weidlich Golf Design and construction contractor McMahon's Golf. There is expected to be one more tour before the re-opening. The new layout has been well received by local golfers.

Mr Wylie said the course had existing natural features like gullies and Red River Gums and over 17,000 more plants were put in, improving the diversity and ecology of the site.

The Scone Golf Course is managed by Scone RSL Club Ltd who own the Scone Sporties Clubhouse and surrounding land, and lease the current golf course from Council.

## Heartworm is on the increase

Written by Dr Hayley Hooper (pictured)

There have been two newly diagnosed cases of heartworm in the Upper Hunter. One case was a dog living on Wilkins Street in Muswellbrook along the river, and the other case was in Sydney Street Scone. The case in Scone, was an adult dog that was on monthly chews on and off. The owners didn't notice any signs except he was a bit lethargic. He tested positive, and is now undergoing a very long and risky treatment to kill the adult heartworms.

Did you know that the adult heartworm can grow up to 20-30 cm long? Imagine how hard it would be for your pet's heart to pump and for them to breathe. It is a slow developing disease and it can take up to two years before you see any clinical signs. Heartworm is transmitted by biting mosquitoes.

The main clinical signs are: coughing, lethargic, difficulty breathing, exercise intolerance, weight loss and inappetence.

Prevention is the key. At Pet Medical we are offering a FREE heartworm test if you buy the 12-month heartworm injection.

Please call us on 6541 1555 to get your pet up to date and prevent the spread within the community.

## Mavis Marsden Lynch

There were big celebrations in Merriwa recently when Mavis Marsden Lynch turned 100. More than 80 guests went to a surprise lunch at the Bowling Club.

"I nearly fainted on the spot," she said of opening the door to find around 80 guests there to celebrate with her. "I got such a shock. You can't keep a secret in Merriwa, but that was one big secret they did keep."

## MUSWELLBROOK CINEMA MOVIE REVIEW

### THE NUN

**Rated (MA15+) 96 mins**

When a young nun at a cloistered abbey in Romania takes her own life, a priest with a haunted past and a novice on the threshold of her final vows are sent by the Vatican to investigate. Together they uncover the order's unholy secret. Risking not only their lives but their faith and their very souls, they confront a force in the form of the same demonic nun that first terrorized audiences in 'The Conjuring 2,' as the abbey becomes a horrific battleground between the living and the damned.

Image: Mayor Wayne Beddgood congratulates the winners of the Mayor for a Day postcard entries.

## Mayor for a day

There was a record number of entries in the Upper Hunter Shire Mayor for a Day competition which encourages primary students to think about how to improve their community and how to have their views heard.

The most popular ideas were more sports, parks and gardens, helping farmers and homeless people, and environmental initiatives to save water and grow healthy food.

Of the 712 children from ten primary schools who contributed their ideas through essays or postcard drawings, the overall Mayor for a Day winner was Jaiden Summers from Murrurundi Public School. Year 5/6 student Jaiden eloquently advocated for more community fundraising for facilities like lights at the footy oval, a skate park and finishing the Scone to Murrurundi water pipeline.

Deputy Mayor – or second prize - went to

Alister Fairfull, a year 5/6 student at St Joseph's Merriwa whose ideas included a warm bed and delicious food for homeless people, recreational and play facilities including a dog park where kids and adults could stay fit, a shooting range, a drive-in movie theatre and more money for farmers.

**School winners:** Aberdeen Public – Charlotte Wells (essay –Charlotte was the 2016 overall winner) & Gabriela Ray (postcard); Belltrees Public School - Emily Taylor; Blandford Public School - Alec Crowe; Ellerston Public School - Lucas Grimes (essay) & Rosie Baker (postcard); Merriwa Central School - Ella Towell

(essay) & Grace Collits (postcard); Murrurundi Public School - Jaiden Summers (essay); Scone Public School – Jared Gibbs (essay) & Layla Collins (postcard); Scone Grammar School - Sarah Clark (essay) & Nick Froml (postcard); St Joseph's Primary School Merriwa - Alister Fairfull (essay) & Olivia Purcell (postcard); St Mary's Primary School - Toby Guilfoyle (essay) & Chloe Leman (postcard).

"Council congratulates all the children who entered Mayor for a Day and we thank the schools for their partnership in this NSW Local Government Week initiative," Mayor Wayne Beddgood said.
