Local businesses or community groups sought for opportunity to move into Riverside Park

With construction of the all-new Riverside Park almost complete, Singleton Council is turning its attention to the operation of a kiosk included as part of the project.

Images : (left) Artists' impressions of Riverside Park (right) NSW Government's Stronger Country Communities Fund announcement with Mayor of Singleton, Cr Sue Moore, Upper Hunter MP Michael Johnsen and Singleton Council Acting General Manager Anthony Egan.

The facility has been earmarked for a training kitchen to be run in partnership between Council, Singleton High School and the Singleton Business with a focus on indigenous foods, work experience, training opportunities and providing a pathway for youth and indigenous people pursuing a career in hospitality.

Member for Upper Hunter Michael Johnsen announced yesterday Council was successful in its application for a \$127,245 grant under the NSW Government's Stronger Country Communities Fund to fit out the kiosk with commercial kitchen equipment to enable the vision for the space in the medium to long-term.

In the meantime, Acting General Manager Anthony Egan said there was a short-term opportunity for a local business or community group to move into the space in time for the opening of the park in early December.

"Council is excited about the prospect of working with Singleton High School and Singleton Business Chamber to use the facility to support

training opportunities, particularly for young people to enable employment pathways in hospitality and yesterday's funding announcement means we are closer to making it happen." Anthony Egan said.

"However, while planning for the kitchen fit-out is undertaken and formal arrangements are put in place, the kiosk will be complete and available to use on a short-term agreement.

"Council has called for Expressions of Interest to gauge the interest from commercial users for the kiosk, with a view to having an operator ready for business when the park opens in December.

"With the park to open in time for Christmas and the school holidays when we hope to see plenty of families out enjoying the playground, it's an amazing opportunity for a local business or community group to use the space to serve ready-made refreshments."

Expressions of Interest close on 23 October 2018.

2019 Scone Cup holiday?

It's time again to put your views on holiday arrangements for next year's Scone Cup by completing a short online survey or making a submission to Upper Hunter Shire Council by Thursday 25 October 2018.

Holiday arrangements for the Scone Cup are determined by the NSW Minister for Industrial Relations based on the views of the Upper Hunter Shire community.

The options for Scone Cup Day 2019 are:

- No holiday arrangements.
- A local event day where no penalty rates apply unless agreed at an individual workplace level;
- A part day public holiday from noon to 6pm which would reduce the burden on local businesses particularly those in hospitality; or
- A half day public holiday from noon, as in previous years;

The survey asks respondents to choose their preferred holiday arrangements for the 2019 Scone Cup.

In previous surveys most respondents have supported the a half day public holiday on the Friday of the Scone Cup.

In previous years the holiday arrangements have applied to Aberdeen, Blandford, Bunnab, Ellerston, Gundy, Moonan Brook, Murrurundi, Parkville, Scone, Rouchel, Timor and Wingen.

The holiday arrangements have not applied to the Merriwa and Cassilis districts.

Residents, businesses and organisations can fill in the survey on Council's website under Hot Topics upperhunter.nsw.gov.au/your-council/media/news/2019-scone-cup-holiday.aspx or give their views by emailing council@upperhunter.nsw.gov.au or phoning Council on 02 6540 1100.

The Scone Cup Race Day will be held Friday 10 May 2019 at Scone Race Club.

Denman Pig Races

The ever-entertaining Denman Pig Races will be held again on Saturday 20 October, commencing at 10.30am at the Denman Football Oval.

Money raised from the event goes towards the Westpac Rescue Helicopter Service. Food and bar facilities will be available on the day.

Get Dirty For Devils!

Devil Ark is embarking on a brand new fundraising initiative to help raise money for the endangered Tasmanian devil. October 20 will see the inaugural "Devil's Dash" taking place at the Raw Challenge Adventure Grounds in Doyalson, NSW.

Participants can expect to face over 60 obstacles across an 8 kilometre course set to test even the toughest participants and challenge everyone in between with registrations available for both individuals and teams!

There will also be an appearance by Devil Ark's current ambassador, Joeys Dash & Violet (named after the superhero siblings in The Incredibles) for participants to meet and get photos with.

Devil Ark Fundraising Coordinator Stacey Roberts says of the event "We are so excited to host our first ever Devil's Dash! We are encouraging everyone to come together for a fun and action packed day, with all proceeds going directly to the Tasmanian devils at Devil Ark".

Devil's Dash will take place on 20th October 2018 at 10.00am at the Raw Challenge Adventure Grounds, Doyalson. Tickets are on sale until 18th October at \$100 per person and all participants get a bottle of water (kindly donated by Stark Fitness & Kickboxing) included in their ticket cost. There will be a sausage sizzle and merchandise stall on the day to help raise additional funds.

Currently classified as endangered, the Tasmanian devil is under threat from a transmissible called Devil Facial Tumour Disease (DFTD). In Tasmania, the disease has reduced the wild population to less than 90% in some areas. DFTD continues to menace the endangered Tasmanian devil population. With still no cure or vaccine in sight and a continuing population decline, insurance programs like Devil Ark continue to be the species' best hope of long term survival.

Devil Ark is a part of a national breeding program to save the species from extinction. It remains the most successful captive breeding facility for the endangered Tasmanian devil on the mainland. Starting out in 2011 with 44 founder animals, the facility now holds an impressive 52% of the mainland insurance population of almost 200 animals.

Planning for the years ahead

A free program for drivers, passengers and pedestrians.

Lee Watts, manager of the Scone Neighbourhood Centre, has arranged for the NRMA to deliver 'The Years Ahead' Program at the Council office located in Liverpool Street Scone, 11am on Tuesday, November 20, 2018

All drivers, passengers and pedestrians are at risk every time they use our roads. And as you get older, your risk of being involved in a crash increase.

The program is around one hour and aims to:

- Increase awareness of safe driving practices
- Encourage all drivers to monitor their ability to drive
- Encourage older drivers to seek advice from their doctors regarding their capacity to drive
- Provide information about alternative transport solutions
- Increase awareness of safe driving practices

Lee Watts said "Road rules and driving technologies are always changing with many of us not keeping up with those changes. This information session is a perfect opportunity for people to become better informed about road rules and safer driving while remaining active and independent."

Please phone the Neighbourhood Centre on 6545 2562 to register your attendance.

Image: Upper Hunter Shire residents will receive new waste and recycling bins, from 22 October 2018. Keep the old bin for storage or put it out upside down on the kerb on the weekend of 17 and 18 November 2018, for collection.

New bins coming for Upper Hunter Shire

All Upper Hunter Shire residents with a kerbside collection service will be receiving new replacement bins for waste and recycling.

The new waste bins have a red lid, which in Murrurundi and Merriwa replaces the green lidded bins. The recycling bins will still have yellow lids. There will be no change to the size of bins.

The bins will be delivered by contractor JR Richards between Monday 22 October 2018 and Friday 2 November 2018.

Residents who want to have their old bins taken away for free, should put them out upside down on the kerb on the weekend of 17 and 18 November 2018, for collection during the following week. Alternately residents are welcome to keep their old bins for storage or other uses (but not kerbside collection).

The new bins have a scan code specific to your property and only these bins will be emptied in future.

In the past, a small number of businesses and residents have been putting out bins to be emptied without being charged for that service. This will not be possible with the new bins.

It is important that all residents and businesses check the level of service they are receiving to ensure their needs are being met.

All queries about the kerbside bin replacement, kerbside collection, other bin replacements and repairs, or changes to your level of service should be directed to JR Richards on 1800 312 934.

Following the bin replacement, the whole Shire will have a consistent waste and recycling kerbside collection service which will make it easier for Council to promote best practice waste management and recycling.

Further information about waste management in the Upper Hunter Shire is available at www.upperhunter.nsw.gov.au
